

DOG WEARS RAIN PANTS.

(From the Boston Herald.)
Every one has heard of rain coats, but few have seen or heard of rain pants—or trousers. If you care to call them such in this case—especially on a

dog. Yet such was the sight which met the eyes of pedestrians on School and Washington Streets yesterday morning. Along walked a little white dog carefully dressed for the rainy day in what appeared to be a rain garment, with trousers flapping about its legs as it walked.

CAVALRYMAN WOUNDED AT ST. QUENTIN.

WHAT WAR TEACHES.

Courage in War and Everyday Life.

A live soldier is better than forty dead ones and it requires well men to take care of the sick and the wounded. Every soldier must have his "first-aid-to-the-wounded" packet—if he's up to the mark. A comrade helps him with bandages, his wound is kept clean, and if his blood is pure and good natured the rest. Pure blood is the greatest blessing mankind can have.

It's bad blood that makes your liver sluggish and the same bad blood causes your stomach muscles to lose their elasticity and become flabby and weak, and that means indigestion.

Dr. Pierce's Golden Medical Discovery, purely vegetable and free from alcohol or narcotics, is not a secret remedy, for all its ingredients are printed on wrapper.

Take it as directed and it will search out impure and poisonous matter in the stomach, liver, bowels and kidneys and drive it from the system through the natural channels.

It will penetrate into the joints and muscles and dissolve the poisonous accumulations. It will replace all the bad blood it drives out, with rich, pure blood full of vital force. It will furnish you with the kind of blood that increases energy and ambition, that puts the entire body in perfect physical condition that brain or muscles know no fatigue.

It will clear the skin; eczema, pimples, rash, blotches will dry up and disappear; boils, carbuncles and other evidences of tainted blood will pass away never to appear again.

Get Doctor Pierce's Golden Medical Discovery at any medicine dealer today, in either liquid or tablet form, as you prefer. It's the one great blood maker and purifier that all weak or run down people ought to start to use at once. It's a temperance medicine because made with chemically pure glycerine from roots and bark. A list of the ingredients is printed on wrapper—it is therefore not a secret "patent medicine" but a pure tonic that is safe and certain in its effect. If you want good blood, good health and clear skin get a supply to-day.—Adv.

BREAD COSTS LESS IN PARIS THAN HERE, WITH FLOUR HIGHER

Keeping Public Posted on Costs, Cuts Rate to Half of What It Is in New York.

Borough President Marks has received from J. W. Sullivan several valuable hints as to the solution of the vexed bread problem now confronting New York. Mr. Sullivan has been investigating the bread markets of Paris, and the information he imparts is in the nature of suggestions for controlling the price of bread. He says:

"Since September, 1893, Paris has regulated the price of bread. The regulation is effected through publicity but not through legal enforcement.

"The common price of bread in New York City has been a 12-ounce loaf for 5 cents, white bread, which, at the Paris rate, would cost 2 1/2 cents.

"Flour in Paris has run in the course of years from 10 to 20 per cent. higher in price than in New York, France having a protective tariff on wheat.

"A secondary effect of the valuation in Paris has been to improve the quality of the bread. Retailers and consumers alike, knowing its price, the competition among the bakers arises with reference to quality. Well baked, unadulterated bread, hence, commands the best sale. Here is one explanation of the excellent grade of bread sold in all quarters of Paris.

THOUGHT SHE COULD NOT LIVE

Restored to Health by Lydia E. Pinkham's Vegetable Compound

Unionville, Mo.—"I suffered from a female trouble and I got so weak that I could hardly walk across the floor without holding on to something. I had nervous spells and my fingers would cramp and my face would draw, and I could not sleep, nor sleep to do any good, had no appetite, and everyone thought I would not live.

Someone advised me to take Lydia E. Pinkham's Vegetable Compound. I had taken so much medicine, and my doctor said he could do me no good, so I told my husband he might get me a bottle and I would try it. By the time I had taken it I felt better. I continued its use, and now I am well and strong.

"I have always recommended your medicine ever since I was so wonderfully benefited by it, and I hope this letter will be the means of saving some other poor woman from suffering."

Mrs. MARTHA SEAVEY, Box 1144, Unionville, Missouri.
